The following resolution introduced by J. L. Sampey, read and adopted.
Resolved, That the Clerk, after retaining $30 for his services, expend balance of minute fund in publishing and sending out the Minutes of this session to the various churches. Also, that we extend our thanks to the brethren and citizens of this vicinity for the kindness and hospitality shown this body during its session.
On motion the 4th District be allowed to publish its minutes with the minutes of this session.
Following series resolutions were introduced by bro. M. M. Dennis, which were read and adopted, and in contemplation of same, following committee were appointed to select trustees for the proposed Orphan's Home and to report immediately: J. L. Youngblood, M. M. Dennis, J. L. Sampey.
WHEREAS, in the past the Salem Association has, under Almighy God, been the instrument in the accomplishment of great good, to which we have just reason to refer, and retrospect with religious satisfaction; but in so doing we have no right to conclude that all the work which God has given us to do, has been completed, so long as there remains in our midst a perishing orphan, whose cry for bread and clothes is ringing in our ears, and whose moral, religious and mental training is neglected. Therefore,
Resolved, That we establish an Orphan's Home in the bounds of the Salem Association.
Resolved, That we do now appoint a Board of Trustees, consisting of five or more, who shall organize said Instititution, on such cheap plan as they in their judgment may think best, and receive all grants of real estate and other contributions for the establishment of the same.
Resolved, That said Institution, whilst under the patronage of this Association, it is not intended to restrict the benefits thereof to the orphans of Baptist parents who have gone before, but to orphans generally—and hence, we earnestly invite all benevolent men and women to aid us by their contributions in this noble and glorious work. Be it further
Resolved, That the same Board of Trustees be herewith empowered and instructed to receive propositions for location of the Orphans' Home, having reference to accessibility, health, &c., of the location; also, to the highest bids.
On motion, Moderator be allowed to make his appointments in accordance with report on missions and turn over to Clerk as soon as convenient.
Report of Treasurer read and adopted. (See Appendix L.)
On motion that, whereas a request has been made by Eld. H. Stevenson for a committee to investigate and report concerning reports in circulation as to his character and soundness of faith; we refer the whole matter to his church.

Report of special committee for selection of trustees read and adopted as follows: J. S. Yarbrough, G. W. Carlisle, T. K. Mullens, J. P. French, J. P. Nall, R. Blann, James McLaney.

Moderator announced the business of session ended, whereupon Eld. W. T. Shanks and bro. Jason Carlisle, who had been for a long time connected with the Association, (bro. Carlisle was member in the constitution,) expressed their intention to remove beyond the bounds of the Association, stating that their connection with the body would ever be held by them in fond remembrance, and that they desired the prayers of their brethren. After feeling remarks by the Moderator, all joined in taking leave, when brotherly love and affection appeared to flow from heart to heart.

J. P. NALL, Mod'r.

T. J. CARLISLE, Clerk.

APPENDIX.

A. REPORT ON DEFAULT CHURCHES.

Your committee appointed to visit the Churches not represented in this body for several years, beg leave to report that they are glad to inform this body that said churches have secured pastors and will be represented in the body at its next session.

J. S. YARBROUGH, Ch'n.

B. REPORT OF EXECUTIVE COMMITTEE.

Your committee have nothing to report, except that the $18 which were in the hands of bro. Talbot, has been expended in distributing Testaments.

R. P. COPELAND, Ch'n.

C. REPORT ON TEMPERANCE.

Your Committee on Temperance are pained to state that from the information gained from some of the messengers from the churches that the sin of intemperance is doing much injury to the cause of Christ's kingdom; that the frequent indulgence in intoxicating drinks by members of the church, is brought to our notice.

Your committee furthermore state that they, in getting statistics on the subject of Temperance, have had the pleasure of meeting with eminent and good men from different portions of the State, which information gives us the sad intelligence, that among all the opposition that they meet with, the strongest and most formidable is found with some of the ministers of the Gospel.

Brethren, what a sad state of affairs. In this, your committee would not fail to mention in their report, that this opposition is not confined to the ministers of the Gospel, but we find that the laity is not only opposing Temperance but actually found going into these haunts and partaking of intoxicating drinks. Your committee furthermore states that this hideous monster has entered into the judicial department of the government, into the halls of Congress, and is slaying its millions from the walks of life, ruining our best young men. Your committee would recommend that the church use its influence to expel it from the communion of saints.

W. T. SHANKS, Ch'n.

D. REPORT ON MISSIONS.

Your committee begs leave to make the following report:

1. That the same necessity exists to-day, as formerly, for an undivided effort to spread the good news of Gospel grace to earth's remotest bounds; and that so much has been said, so much written, and our former minutes have been so well filled with arguments to prompt us to energetic action, that we deem it useless to reiterate them here. If our brethren will not believe these, they will not believe "though one may arise from the dead."

2. We beg leave to call the attention of this Association to what they have done in former years, when the Salem Association was the pride of the denomination; and what the churches and brethren are doing to-day!

Comparatively, your committee believe we are doing almost nothing in the Master's cause, by way of spreading the Gospel. It may be said—that now we are comparatively poor. So we are—yet we are rich in many particulars, and we still have Him who is rich and gracious unto *all* who will call upon His name.

We should hang our heads in shame when we contemplate the success of the past efforts in the missionary cause by those who have preceded us—and the dead—*non action* of those to whose care and keeping the cause of missions have been transmitted.

By all that we hold sacred—by the obligations we owe to our good Lord, shall this state of affairs still continue—still be a blot upon our beloved organization? No; we say no.

Then *action—action* is the watch-word, and rallying cry: do not suffer the once fair escutheon of Salem Association to be spoken evil of because of our *want of action*. A very small contribution on the part of each member will relieve us from the odium which will attach to us as Missionary Baptists.

3. To infuse in the minds of the brotherhood their duty to God, on the great subject of Missions, is all that your committee can hope to accomplish by this report—and may God help the brother who earnestly prays that He will send His Gospel abroad where it is not preached, to enquire "how much owest THOU my Lord." In so much as God has prospered him may he in return make contribution—no one member in all the churches can be excused. In addition to his prayers which he *freely* makes for the cause—one dime—one dollar, given in the aggregated church membership, would make a large missionary fund, and support at least one missionary. May God incline the brethren to do so.

4. If *we will not* do our duty, your committee is thankful and happy to know that other Baptists are up and doing, and the cause is onward and much good is being done in both the Foreign and Domestic fields.

5. Your committee would, in view of the great negligence on the part of the membership in this great work, most respectfully ask that this Association pass the following resolution, and we recommend its adoption:

Resolved, That the Moderator shall appoint one member in each of the several churches of this body—as a committee, whose duty it shall be to carry home to each member of their respective churches, and insist upon a contribution from each member of his said church, (however small the contribution,) record the name of each contributor, whether a member of this church or not, and report their success and lists of same to the next associational meeting, and in the event a committee-man shall fail or neglect, (only from unavoidable cause or causes,) he shall be censurable for negligence.

Respectfully submitted, J. H. McLANE, Ch'n.

E. REPORT OF COMMITTEE ON NOMINATIONS.

Your Committee on Nominations begs leave to report the following named brethren to constitute the Executive Committee of the Salem Association for the next associational year, viz: J. C. Moore, Chairman; Carol Sanders, J. J. Macon, A. N. Worthy and John Brown.

Your Committee has selected Eld. Wm. McCarra to preach the Introducto-

ry sermon at the next annual meeting of the Salem Association, and Elder Wm. Pritchett, Alternate. We also select the following named brethren to the next General Association, viz: M. J. Gamble, J. L. Sampey, J. S. Yarbrough, J. P. Nall, R. W. Priest, J. P. W. Brown, Wm. Pritchett, W. T. Shanks, J. J. Macon, F. L. Walker, J. H. McLane, J. G Blackmon, J. P. French, F. L. Lord, T. J. Carlisle and J. P. Wood. In case of failure, S J. Townsend, Q. P. Siler, T. M. Jones, R. B. Thornton, Jas. McLaney, John Freeman, A. Y. Cosby and Henry W. Emfinger.

F. L. WALKER, Ch'n.

F. REPORT OF COMMITTEE ON DOCUMENTS.

Your Committee on Documents regret to report that some of the churches are in a cold condition, but we are glad that all the churches are at peace with each other. Macadonia mourns the loss of a Deacon, J. P. Hough.

Time and place of District meetings for next associational year:

Next session of Salem Association to be holden with Ramak Church, Montgomery county, commencing on Saturday before 1st Sunday in Oct., 1873.

J. L. SAMPEY, Ch'n.

G. REPORT OF COMMITTEE ON BIBLE CAUSE.

The Association has no organization of that sort, that we have any knowledge of, while it is true that the Bible forms the substratum of all our religious operations from which light and knowledge is reflected, yet the Association has failed to bestow that attention to the subject that it justly demands; therefore, your Committee would recommend to take immediate steps to put in operation an organization that will meet the crying of those who are destitute of the Word of Life. J. P. W. BROWN, Ch'n.

H. REPORT OF COMMITTEE ON DECEASED MINISTERS.

Your Committee on Deceased Ministers would report that we have inquired diligently and find that no minister has died in our midst since our last session. J. P. FRENCH, Ch'n.

I. REPORT ON SABBATH SCHOOLS.

The Committee to whom was referred the subject of Sabbath Schools beg leave to present the following: We regret exceedingly the indisposition on the part of the churches in this Association to engage heartily in this glorious enterprise. Few of our churches mention the subject in their letters from which we infer that few are doing their duty in this branch of christian usefulness. It is a lamentable consideration that Christians are so much inclined to excuse themselves from the several responsibilities which they owe to their children and especially to God. We are required to bring up our children in the nurture and admonition of the Lord. In view of this sacred truth does it not behoove us to bestir ourselves to greater diligence in our duties.

We would earnestly and humbly beg those who have children commited to their training to go with them to the Sunday School and teach their tender minds the things which make for their good.

Respectfully submitted, J. S. YARBROUGH, Ch'n.
